Revere Park Update

We recently had productive meetings with our City Council representatives and are excited about the path forward for Revere Park. The Civic Association is working with Parks & Recreation to explore small, thoughtful improvements, with more updates to come as we move into the next phase. – Andrew

Virginia Winery

In March we enjoyed a delightful adult's night out at Va Winery. There was a lot of amazing food, a complimentary drink, lots of unwinding fun, and all free for our members!

E- Bikes and Scooters

In Virginia, gas scooters (mopeds) are not legal for riders under 16, and electric scooters require riders to be at least 14 (or supervised). Following these rules—**and riding responsibly—helps prevent accidents, protects families from liability, and keeps our neighborhood safe for everyone.**

Good News Story

Lately, it's been hard to miss—neighbors stepping in, helping out, and looking after one another without being asked. Clearing driveways, scraping ice off windshields, dropping off a meal, or lending a hand when it's needed—it keeps happening again and again in quiet, consistent ways.

The truth is, our good news story isn't one person—it's all of you. Too many to name, but it's noticed, and it's what makes Salem Woods what it is.

Reader Board

From our President

Spring is here, and with it comes a renewed sense of activity around Salem Woods. It's encouraging to see neighbors getting back outside, reconnecting, and taking part in what makes this community strong. Over the next few months, we have a full calendar of events—from the Easter Egg Hunt to our yard sale, park cleanups, and neighborhood socials. These aren't just events to fill time; they are opportunities to strengthen relationships, meet new neighbors, and invest in the place we all call home. Communities don't stay strong on their own—they require participation. I want to thank those who continue to show up, volunteer, and contribute behind the scenes. The work often goes unnoticed, but it is what keeps Salem Woods moving forward in a positive direction. If you've been on the sidelines, this is a good season to step in. Whether it's attending an event, helping with a cleanup, or simply introducing yourself to someone new, small efforts add up.

We'll continue working to maintain and improve our neighborhood, **but the real value of Salem Woods has always been the people in it.**

I look forward to seeing many of you out this spring. - Jim
